International Trade Show and World Congress
14 - 17 May 2024, Leipzig, Germany

Check out the latest trends at one glance! The international trade show and World Congress OTWorld at Leipzig is the sector's largest and most important meeting place in the world. No other event offers a comparable overview of the steadily growing market on the fields of orthopaedic treatment and care. Here, the focus is on inter-professional interchange of the best possible care using assistive technology. National and international leading industry partners showcase their market innovations. The World Congress is rated among the largest in its sector globally. In 2022, OTWorld welcomed more than 400 exhibitors and about 18,000 visitors from all over the world in Leipzig.

The Jugend.Akademie Technische Orthopädie (Youth Academy TO) is an initiative by the German Association of Orthopaedic Technology (Bundesinnungsverband für Orthopädie-Technik (BIV-OT) to facilitate interdisciplinary development of young professionals in the fields of orthopaedic treatment and care. The Youth Academy TO offers its participants the opportunity to improve their skills and knowledge based on their individual level as well as to build networks. In 2024, it is already taking place for the 7th time within the OTWorld.

Highlights of the Youth.Academy TO:

- > Trade show on 16 and 17 May 2024
- > Congress workshops on 17 May and selected congress presentations on 16 and 17 May 2024
- > Meeting point in the Glass Hall, including snacks
- > Events organised by the sponsors and at the OTWorld.campus
